

Resources for school leavers

This resource has been designed to support school-leaving students that are seeking a range of post-school, career, financial, and wellbeing guidance and organisations. Staff supporting students are encouraged to explore the resources and select those that are appropriate for their student cohorts.

myfuture

Tools, resources and webinars

<https://myfuture.edu.au/home>

myfuture provides resources for students to explore career pathways and tools to develop self-knowledge and career decision making. Students can build a career profile through a number of quizzes, activities, and information resources.

A range of [webinars](#) are available about navigating post-school plans and finding employment.

Job seeker resources such as CV and cover letter templates are also available for students to adapt for locating work.

Services Australia

Leaving secondary school

<https://www.servicesaustralia.gov.au/leaving-secondary-school>

An Australian Government [website](#) with a wide range of resources to guide students who are finishing secondary school. An [eKit](#) is available for school staff and trainers to facilitate discussions.

Students can explore how to:

- decide what to do after school
- prepare for the next steps
- receive financial assistance to continue study
- transition information for apprentices and trainees
- get help with other life changes

YourCareer

School leaver information kits

<https://www.yourcareer.gov.au/school-leavers-support/school-leavers-information-kit>

The Australian Government has produced a range of [School Leaver Information Kits](#), including for those requiring tailored support and on [different types of journeys](#). Resources are also available for [parents and caregivers](#) and [teachers](#).

Students can explore the kit to:

- learn about further study
- use financial and budgeting tools
- access wellbeing support for after school.

A range of other career information resources, such as Career Explorer, are available at [YourCareer](#).
